**INTRODUCTION**

Aostaf furniture Cucine that combines the product range of these companies with all the advantages of having to do a business with just one person. We have been rewarded with the trust of our customers, suppliers & service providers.

What will really inspire you about a kitchen from Aostaf furniture is the attention to detail with which it's styled and product. Time and time again our exclusive ideas lead to new and satisfying solutions. The high-quality materials invite you to touch and will fascinate you with their aesthetics. The quality of Aostaf furniture results from the passion for craftsmanship and the accuracy of the workmanship. You can experience the high standards we set ourselves in every one of our kitchen-because it's Aostaf.

We wish to introduce ourselves. Aostaf furniture and the services rendered by us to you. Aostaf furniture Cucine is a professional manufacturer of high-quality modular kitchen wardrobes and furniture. The manufacturing unit of Aostaf furniture is located in the periphery of the capital of India, which is equipped with the latest machineries from Germany, Italy, and China, covering approximately 45000 sq ft area.

Aostaf furniture Cucine offers the best kitchen cooking platforms and expert consultancy for kitchen management. The kitchens are custom designed and a wide range of kitchen hardware and appliances can be chosen from Aostaf furniture accessories.

We offer Melamine Faced Chipboard (MFC), Medium Density Fibreboard (MDF), and Plywood (PW) in different colors for the construction industry as well as individual clients. Aostaf furniture integrates state of art modern technology with skilled craftsmanship in order to ensure high production standards whilst retaining the heritage and quality associated with sustainable woodworking.

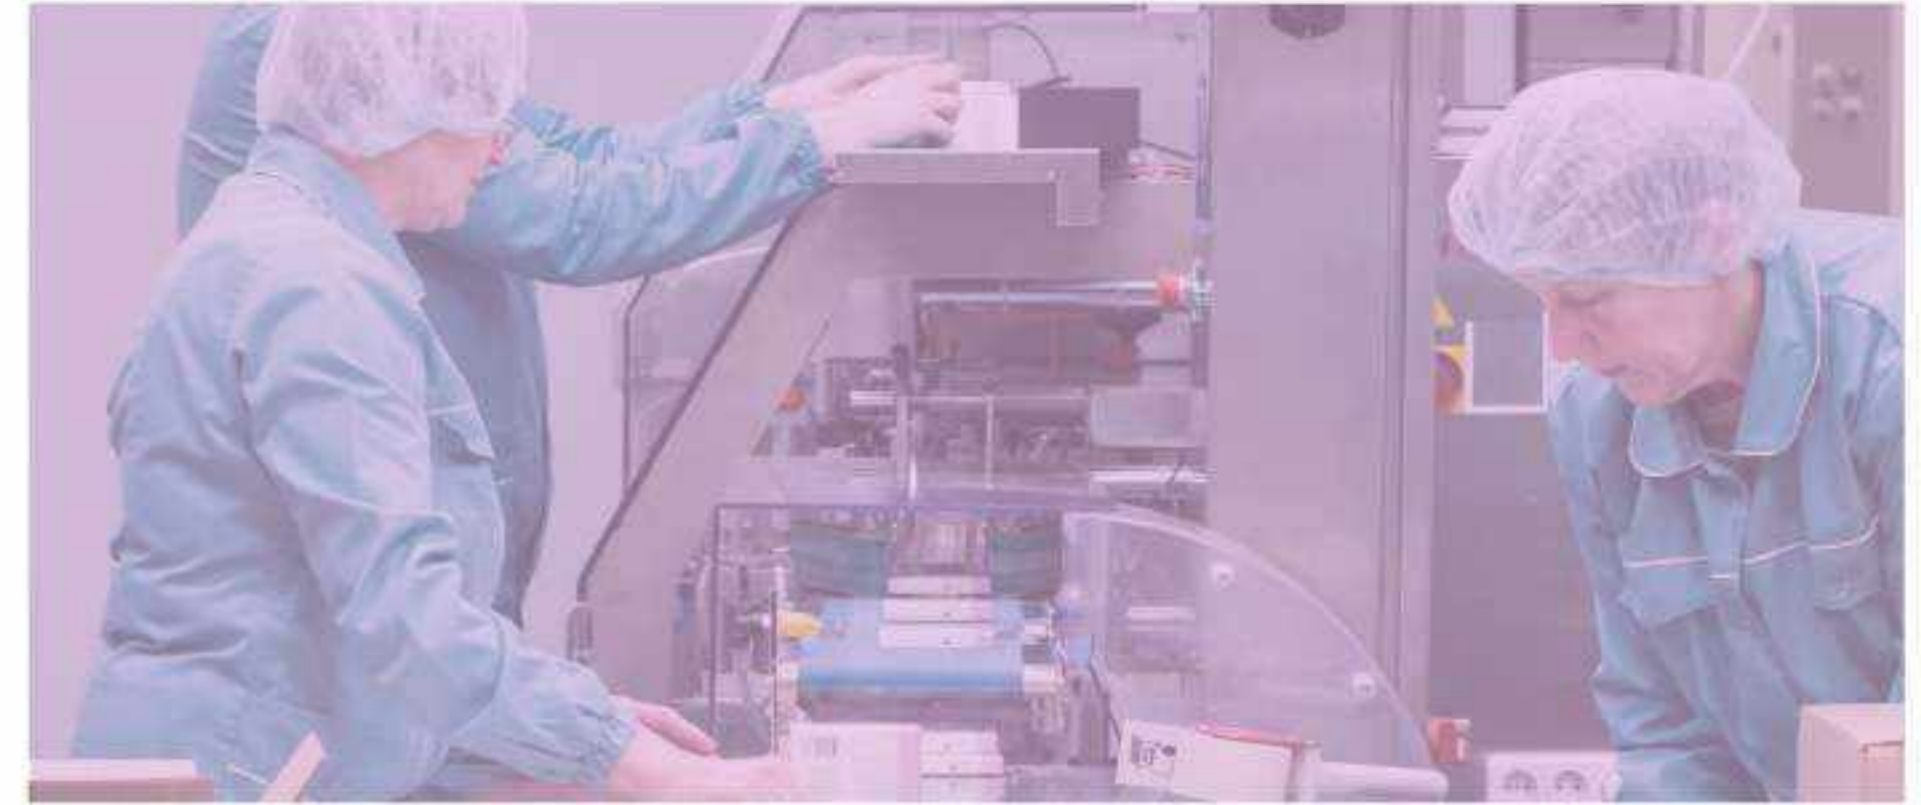

At Aostaf furniture Cucine, we work in partnership with architects, conservation specialist and interior designers to realize aesthetic requirements, while also ensuring meeting of the necessary performance demands.-

We, at Aostaf Group, equipped with space of approx. 1,50,000 sqft to manufacture products in different categories. We allocated dedicated space of 10,000 sqft for the production of all the Medicare Products with all the latest and advanced machines. We ensure a completely hygienic and clean workspace for all the staff members at Aostaf group.
